Correspondent.

Brief History of Establishment

Sri. Tallapragada Suryanarayana Rao, Pantulu, the person who determined and eminent, has established this institution “ Andhra Geervana Vidhya Peetam” in 1912, by putting some goals like, to spread the native and true culture of India, to merge the Modren and oriental knowledge and to protect Sanskrit and Telugu language which are at the edge of their existence And was thereby established with the determination to preserve Indian culture and the Vedas and its heritage.

He also established the following institutions as its side wings.

Sri . Lal Bahadhur Primary School,

Sri. Mavulati Somaraju Sanskrit School.

Sri Vadrevu Jogamma Veda Samskrutha Kalasala,

Music and Dance School.

Though, some of the above institutions were closed, High School and college are still running, smoothly.

In order, to promote the study of Indian literature, History, Philosophy, Vedas and vedangas, to encourage the patriotism in the pupil and cultivate interest in native culture, the funding father sri. Tallapragada Suryanarayana Rao Pantulu, had brought the lecturers who are very through in their subject, by searching whole of the state. As a result of his effort. So many students have got very good knowledge and also. Most of the students of this college had become good schools and some of them are still working in various universities. He also made great effort in order to provide the students college with Hostel and scholarship facilities.

Though at first, that at the time of establishment the number of students is so merge. After getting the affiliation from Madras University in 1915, the number of students has increased and along with the increase of number of students. The enthusiasm and

the funds from the donors were also increased. He has examined many scholars in streams like Vyakarana, Vedhantha, Tharka, Meemansa and appointed the best in his institution and increased the value of the institution. Though, the Maharaja oriental college, Vijayanagarama was the first college of such kind, we can proudly say that, our institution is in the first place in providing the society with eminent scholar, who has zeal to develop the society in its virtue.

In 1926, this institution has got the affiliation from Andhra University and also getting the grand in aid from Madras University from 1948. Before getting this aid the institution had faced financial problems, which were solved, because of the humanity of Srimathi. Vadrevu Jogamma, who provided some financial resources to pay salaries etc., the college, was named after her.

Recently, in the academic years of 2011-12 our institution has celebrated its platinum jubilee also with the help of old students, management. The program was made auspicious with the arrival of Aravindarao. Rtd. D.G.P, Mandali Budha Prasad, President of Telugu Basha Sangham.

Current status:

At first our institution was affiliated to Andhra University but from the academic year of 2012-2013, the institution was affiliated to Adi Kavi Nannaya University.

Globalization has been influencing the world, it is helping the world to develop in its scientific and information technology and making the world has one family. But at the same time, it is becoming as a strong obstacle for the survival of our own languages like Telugu and Sanskrit. So with a strong motto to protect the survival of our ancient language i.e, Sanskrit Sri Venkateswara Vedic university as under taken 9 oriental Sanskrit colleges and they had given affiliation to the Sanskrit stream of our college so, then the admitted batch of 2012-2013 of Sanskrit main comes under Sri Venkateswara Vedic university and the admitted batch of 2012-2013 comes under Nannayya university and the students of remaining batches were affiliated to Andhra University. So, we are working under 2 universities currently.

The students of our institutions belong to various creeds, the pupil who came from financially back word family are provided with scholarship, we facilitate them with food and lodging and also, we provide bus & train passes for those who comes from nearby villages.

In, past we used to have permanent lecturers who did their hundred percent efforts to make the pupil efficient unfortunately, in recent years all of them were retired and the institution as struggled so much for a short period of them, it was settled when the old students of the college came forward to teach for their successors. Meantime, government has appointed two lecturers on contract basis. So, there is two permanent lecturers only.

After considering the financial position of our students, the university personals have given 50% subsidized in fesses. Because of this decision, so many students from the nearby villages of Kovvur have preferred our college to learn in the light our lecturers. But, the deficiency of lecturers had been remarks for our institute; this issue is also influencing the joining clearly. The number of students is decreasing every year we hope, if we are provided with permanent faculty, we can develop our institute in many ways.

Among all this hurdles we have completed our hundred years of establishment with hay and joy and we are going ahead with a ray of hope, that, we strongly believe that we can regain our own golden age with the help such organization which gives us motivation and strength in any form

We are putting our whole efforts in order to provide the students with best available resources.

From 2017-18 introduced CBCS System by Adi Kavi Nannaya University.

This is bringing to your kind notice that regarding Students Scholarships. We are able to register our BAOL Telugu main students only on Jnanabhoomi Portal through Adi Kavi Nannaya University. So, they are only getting Scholrships from Government of AP.

But we are unable to register our BAOL Sanskrit main students who are affiliated SV Vedic University, Tirupati on Jnanabhoomi portal. Hence, they are unable to getting Scholarships, which are for their welfare from government.

S.No	BAOL - III	BAOL - II	BAOL - I	PDC - II	Total
1	23	22	18	48	111

Applications Issued for the Academic year : 21 (Till 20.08.2020)

Details of faculty members:

S.No	Name	Qualification with subject	Class	Regular / Contract	Total years of Service
1.	Dr. Ch. Ramadevi Reader in Sanskrit Principal (FAC)	Nyaya Vidya Praveena, M.A.Sanskrit, M.A.Telugu, Ph.D, Siksha Sastri	I class	Regular	37 Years
2.	Sri. Gowri Sankara Shenai Devadas. Lecturer in Sanskrit	M.A.Nyaya, M.A. Sanskrit, NET.	I class	Contract	7 Years
3.	Dr. M.Vani Kumari. Lecturer in Sanskrit	M.A. Sanskrit, M.A. Telugu, Ph.D, B.Ed.	I class	Contract	7 Years
4.	Sri. T.Rama Chandrarao Lecturer in Sanskrit	M.A.Sahitya, Siksha Sastri(B.Ed)	I class	Un-Aided	10 Years
5.	Dr. Lalitha jyothirmai Telugu lecturer	M.A. Telugu. Ph.D, NET, SET, TPT.	I class	Un-Aided	7 Years
6.	Smt. K.T.L. Haritha English lecturer	M.A.English, B.Ed.	I class	Un-Aided	7 Years

7.	Sri A Veera Lokesh Lecturer in Sanskrit	Vyakarana	Un-Aided	3 Years
8.	Sri M Sivaram	Computer Applications	Un-Aided	1 Years
